Dear Matt:

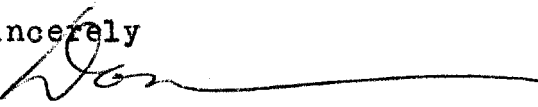

Thank you very much for your recent letter saying that all is now in order within the Agency about my request for participation in our Washington Seminar program. You have been most helpful on this matter and I greatly appreciate your cooperation.

I have written [] and will deal with him from here on so that I needn't bother you further.

I doubt if I shall see you in June because I expect to be busy night and day but we do run into each other now and then and maybe here, too. In any case, I shall hope to see you next fall.

Meanwhile, good wishes and thanks for all your help.

Sincerely

Donald G. Bishop
